JUMPSTART ENROLLMENT FORM

The Jumpstart class is more academic than our traditional preschool classes. It is designed for children who are five years old (or for more mature four year olds who would turn five no later than the winter months). They must have already had at least one year of preschool, but are not yet ready for kindergarten. The school reserves the right to place a child in the traditional three days per week preschool class if the teacher feels the child isn't ready for the added academics of the Jumpstart Class.
