Treasurer's Report: Motion by Buckley/Little approved. The teachers will be given their June 2011 and Fall 2011 allotments as soon as possible.

Committee Reports:

Fall Carnival Committee: The budgets for the complete event, food, and games were presented. A list of current silent and live auction items was also shared. A tent will be rented; tables and chairs are being donated. Committee is trying to line up a caricature artist.

Spiritwear Committee: The 7th and 8th graders created several designs. The TLS students will narrow them down to three and the executive board will select the winner. A second design by Chad Stewart of Sportsarama will also be available. The sale will run from October 19 – 28.

Teacher Lunch/Dinner Committee: A homemade lunch and Applebees dinner will be served to the teachers on November 10, when they have parent teacher conferences.

Old Business:

Wish List items: Just waiting on the electrician to install items in kindergarten room.

New Business:

Fundraisers: A lengthy discussion was held on the current fundraisers and the dates they are held. Various pros and cons of each were mentioned. Since we have a variety of fundraisers, they allow for wider participation. We should make sure that parents know they aren't required to participate in each fundraiser. One suggestion was to hold a penny war, possibly during Lutheran Schools Week. This could replace the Value Card sale. Fundraisers will be kept on the agenda of both the executive board and the general membership at future meetings.

Adjournment: Motion VanWagner/J.Kosman approved

The meeting was closed at 7:00 with the Lord's Prayer.
